

# *The Wake-up Herald*

And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. Let us walk honestly, as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying. But put ye on the Lord Jesus Christ, and make not provision for the flesh, to fulfill the lusts thereof. Romans 13:11-14

## **Nauseous religion!**

**nauseous** adj. = causing nausea or disgust; nauseating, disgusting.

**Editor's comment: There are many religious voices today offering a plethora of "how to" formulas to resolve every imaginable problem in America ... EXCEPT ... the ... SIN ... problem!**

**God's formula is simple . . .**

**Jesus said,**

**"Repent or perish!"** Luke 13:1-5

**Jesus said,**

**Revelation 3:**

**14** And unto the angel of the church of the Laodiceans write; These things saith the Amen, the faithful and true witness, the beginning of the creation of God;

**15** I know thy works, that thou art neither cold nor hot: I would thou wert cold or hot.

**16** So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth.

**Nauseous religion!**

**As we consider the fast-moving changes washing over the culture, particularly those being directed by God to, among other things, shed a whole lot of light in places that have been very dark for a very long time, it seems like a good time to re-share a post from early 2016 entitled *The Kingdom of God vs. The (Collapsing) Empire of America:***

~Pastor Robert McCurry

**“As we watch a proud, unrepentant people cling to [the idol of the American State](#) and we see the judgment of the one true God come down upon that idol and its worshippers, we are well served to praise**

the King of kings for the peace, purpose, and mission that He has given His people right here and now in the middle of this whole soon-to-pass mess.

The fact that He's purposefully placed and perfectly equipped each of His people "for such a time as this" should inspire matchless calm, confidence, and joy even as we engage [the dead religion of American Statism](#) in the midst of its last, desperate attempts to secure the American State as the one true god under whom all other (lesser) gods must bow.

For those of us who *truly* love America and love Americans, this is a very challenging and critical time. It has never been more vital that we lovingly *confront* and *correct* the State-as-messiah counterfeit gospel that has come to define our culture through [generations of State-run "education"](#) and Corporate-directed pop-culture programming. It has never been more important to torch the curtains hiding the little men who would be gods that are operating the fictional political and [economic constructs that are being used to perpetuate our bondage](#) by

keeping us focused on anything *but* Christ as the solution to all that ails us.

**The American State is being held high as our savior.**

**The American State** is being [embraced as the educator of our children.](#)

**The American State** is being promoted as the author and sustainer of our freedom, liberty, law, and security.

**The American State** is being championed as a “shining city on a hill” example for the world to follow in embracing [the “right” to openly worship false gods](#), the [“right” to porn](#), the [“right” to “gay marriage”](#), [the “right” to adultery-centered businesses](#), and [the “right” to child sacrifice for convenience.](#)

**The American State** has perverted and corrupted the concepts of law, liberty, freedom, and life itself as no other people before...all while claiming the status of “Christian nation” and stamping “in God we trust” on [the fake money it manufactures out of thin air to control and enslave people and cultures](#) not only at home, but across the globe.

**The American State** is being exalted as our god *in practice* if not in title...though the title will inevitably follow once the practice runs its course.

The good news is this: **The Author, Definer, and Sustainer of law, family, gender, marriage, economics, civil government, and life itself will not have it.**

**He will not tolerate** its evil indefinitely.

**He will not allow** its prideful march to continue for much longer.

**He will not allow** it to continue its use of black magic fiat economics to enslave the masses and empower an anti-Christian elite (many of whom claim to be Christians, of course).

**He will not allow** the temples (some call them “schools”) of the American State to continue “educating” children in accordance with a philosophy of the pursuit of knowledge lifted *directly from the serpent’s tongue in Eden* (and subsequently found in the tenth plank of *The Communist Manifesto*).

**He will not allow** the beast of the American State to pillage the institutions of family and marriage indefinitely.

**He will not allow** the mass murder of baby boys and girls in openly operating, “legally” protected child-butcherer facilities to go on for much longer.

**He will not allow America to continue.**

**He will bring it to an end**; an end that will demonstrate once again the unbreakable nature of His Law in, over, and throughout every part and aspect of His creation.

**The Republican Party, [Pagan Conservatism](#), and Donald Trump cannot “Make America Great Again”, regardless of what Rush Limbaugh or Fox News ... and religious leaders might tell you.**

**Apart from repentance and submission to Christ as King *in practice* and in detail in every realm of life, the American Empire is coming down hard...and we as Christians shouldn't want it any other way. (For more**

on this critical and beautiful truth, please read [Roaring into Post-America Christianity](#).)

The land under each and every American's feet belongs to *Him*.

The air above that land and the oceans that surround it belong to *Him*.

The law, economics, arts, and education that Americans pervert so arrogantly and routinely belong to *Him*.

Even now, the wrath of God is pouring out upon a proud and unrepentant "We the People" of America. Even now, the great opportunity to repent, believe, and be saved is being extended. But that extension of grace will not go on forever.

America came and America will go, perhaps quite soon by the look of things at this particular moment.

But the Kingdom of God will endure forever, conquering and reconciling every corner of creation, taking every thought and practice captive to Christ.

**The Gospel-fueled Great Commission will triumph in the land presently known as America...and everywhere else.**

**Every knee will bow to King Jesus.**

**Every tongue will confess the majesty and beauty of the Lord. . . “**

**Something to keep in mind as America's house of cards comes tumbling down around us.**
