Transgender' man Guilty of assaulting Girl in womens' restroom

A 'transgender' man who pretended to be a woman was found guilty after accessing a girls bathroom and sexually assaulting
a little girl.

"The jury trial for a Casper resident charged with sexually assaulting a 10-year-old girl" resulted in a guilty verdict, reports The Billings Gazette.

"Miguel Martinez faces one count of first-degree sexual abuse of a minor and one count of second-degree sexual abuse of a minor. Martinez could face up to 70 years in prison.

"Martinez's public defender, Tracy Hucke, said at a previous hearing that her client identifies as a woman and uses the name Michelle.

"The 10-year-old's mother reported to Casper police in March that her daughter said Martinez sexually assaulted her in a bathroom...

"Martinez denied molesting the child to arresting officers and pleaded not guilty to the charges in May at an arraignment in Natrona County District Court."

The jury disagreed and found him guilty.

[Dr. Chaps' comment: Men and pedophiles will abuse 'transgender' access to opposite gender bathrooms to abuse little girls. This case provides ample evidence. Democrats want to mandate co-ed bathroom access to continue with no safety measures for children, especially in public schools. They want to punish teachers and business owners who object, and try to protect little girls from abuse? What is wrong with them?]

No legal right to Co-Ed Bathrooms, rules Attorney General Sessions

"Federal civil rights law does not protect transgender people from discrimination at work, Attorney General Jeff Sessions said in a memo released Thursday that rescinds guidance issued under the Obama administration," [reports](#) Fox News.

"The Civil Rights Act of 1964 bars workplace discrimination between men and women but does not extend to gender identity, Sessions said. The Justice Department will take that position in 'all pending and future matters,' the memo said.

"Sessions called the interpretation a 'conclusion of law, not policy,' and said the move should not be construed to condone mistreatment of transgender people.

"'The Justice Department must and will continue to affirm the dignity of all people, including transgender individuals,' Sessions wrote in the memo to the nation's federal prosecutors.

"But LGBT-rights advocates assailed the reversal as the latest in series of Trump administration actions targeting their constituency."

[Dr. Chaps' comment: Thank God, Jeff Sessions has more sense than everybody in the Obama Administration, and has stopped cross-dressing men from having 'legal' access to share public bathrooms and locker rooms with little girls. Let's make this permanent.]
