

The Wake-up Herald

And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. Let us walk honestly, as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying. But put ye on the Lord Jesus Christ, and make not provision for the flesh, to fulfil the lusts thereof. Romans 13:11-14

The Blood Flows in Florida and America!

By Robert McCurry

The media has been flooded with reports of the Florida school shootings on Wednesday afternoon. There is no way to minimize the tragedy of these 17 murders. But this is not the only story of blood flowing in Florida – there were 73,727 murders of babies via abortion in Florida in 2016 in abortion clinics.

America is also suffering ongoing bloodshed domestically (e.g., mass shootings, youth violence, police shootings).

The Biblical consequences for shedding innocent blood include more bloodshed (Hosea 4:2), tyranny (Psalm 106:37-44), invasion (2 Kings 17:5-23) and war (2 Kings 24:1-4). These verses cited are only examples. Read the books of Isaiah, Jeremiah, and Ezekiel, and more. The Bible is full of promises of blessing for obedience, and judgment for disobedience for *any* nation, for *all* nations (Proverb 14:34, Psalm 9:17). Read Deuteronomy chapter 28 and Leviticus chapter 26 ([KJV](#)).

Most Americans are OK with the murders of 4000+ children per day by legally protected intentional induced abortion so long as the walls are thick enough to muffle the screams and high enough to hide the carnage.

Intentional induced abortion is *aborticide* n. the killing of an unborn child.

The wickedness of the sin of legally protected intentional induced abortion is a national plague, scourge, and abomination. The problem will not be solved until there is recognition, confession, and repentance of the vile, abhorrent sin of legally protected intentional abortion. Every U.S. President that has supported legally protected induced intentional abortion; every state legislator and every congressman and senator that ever voted for legally protected intentional abortion; every state, federal, and Supreme Court judge that ruled favorably for legally protected intentional abortion; every bureaucrat that administered the legally protected intentional abortion program; every pastor that is passive and silent and fails to preach “thus saith the Lord” regarding the sin of legally protected intentional abortion; every Christian that has been passive and silent and failed to be involved in saving children from legally protected intentional abortion; and every Christian that has paid for legally protected intentional abortion via taxes must repent.

There is no other alternative. It's repent or perish.

We are no longer truly free if freedom continues to be denied to the most innocent and defenseless among us.

Wake up, Pastors! Wake up, Christians!
