

Texas Baptist Church Shooting: WHY?

Look to the [Word of God](#) for root
moral and spiritual causes

Ezekiel 35:6, Hosea 4:2, Galatians 6:7

The Texas Baptist church shooting Sunday November 5, 2017 was the deadliest mass shooting in Texas history and the deadliest church shooting in modern U.S. history :

26 now dead, including the pastor's 14 year old daughter.

"Blood toucheth blood", Hosea 4:2, [KJV](#).

Prophetically, God is speaking to a bloody nation, and to America's churches at large lacking in spiritual vision to **Establish Justice** instead of incessantly, incrementally, UNBIBLICALLY, "*regulating*" the murder of children created in **HIS** image in the womb: Ezekiel 35:5,6.

One Christian pro-life missionary has said repeatedly: "If America does not **Repent** and **END** child-murder, we as a country will be judged calamitously with a **national bloodbath** for this national sin."

These recent mass shootings may only be foreshadowing's of a national bloodbath to come if we do not **Repent and Reform** of our national sin of child-murder by "abortion" and the shedding of innocent blood in the womb. How long will it take more Americans, [especially evangelical, born-again Christians](#) to listen ?

Have you heard the phrase, "**Violence begets violence**" ? For over 44 years America has been violently murdering pre-birth human beings in the wombs of their mothers. "God is Not Mocked", we reap what we sow (Galatians 6:7, [KJV](#)).

America has sown violence in the womb, and we have and are reaping violence on the streets, in homes, in workplaces, at entertainment venues, and even inside church buildings.

Jesus said:

"Repent or perish!" Luke 13:1-5

Wake-up, Pastors! Wake-up, Christians!
