

## **\*WHAT IF ALL ILLEGALS LEFT THE UNITED STATES ?\***

\*(Considering the Denver Post is a very liberal paper, I'm surprised They \*\*published this. This really shows how the hiring of illegal's is a false \*\*economic practice.)\*

\*Tina Griego is a Free-Lance reporter. \*\*She\* \*writes some really good Stuff and she is a strong advocate\*  
\*for LEGAL\* \*Immigration. Homework on issues is part of her make-up and Fabric\* .

### **\*What if they left?\***

(Not Democratic, not Republican, not liberal and not conservative.  
Just the facts by a good reporter.)

### **What if 20 Million Illegal Aliens Vacated America?**

Tina Griego wrote a column titled, "Mexican Visitor's Lament."

I interviewed Mexican journalist Evangelina Hernandez while visiting Denver Last week. Hernandez said, "Illegal aliens pay rent, buy groceries, buy Clothes. What happens to your country's economy if 20 million people go Away?"

Hmmm, I thought, what would happen?

So I did my due diligence, buried my nose as a reporter into the FACTS I Found below.

It's a good question... It deserves an honest answer. Over 80% of Americans demand secured borders . What would happen if all 20 million or More vacated America? This may surprise you!

In California, if 3.5 million illegal aliens moved back to Mexico, \*it Would leave an extra \$10.2 billion to spend on overloaded school systems, Bankrupt hospitals and overrun prisons.\* It would leave highways Cleaner, safer and less congested. Everyone could understand one another As English became the dominant language again.

It means \*12,000 gang members would vanish out of Denver alone. Colorado

Would save more than \$20 million in prison costs, and the terror that those 7,300 alien criminals set upon local citizens.\* Denver Officer Don Young And hundreds of Colorado victims would not have suffered death, accidents, Rapes and other crimes by illegals.

\*Denver Public Schools would not suffer a 67% dropout/flunk rate because of Thousands of illegal alien students speaking 41 different languages\*. Denver's \*4% unemployment rate would vanish\* as our working poor would gain Jobs at a living wage.

\*In Chicago, Illinois, 2.1 million illegals would free up hospitals, Schools, prisons and highways for a safer, cleaner and more crime-free Experience.\*

If 20 million illegal aliens returned 'home,' the \*U.S. Economy would Return to the rule of law.\* Employers would hire legal American citizens At a living wage. Everyone would pay their fair share of taxes because They wouldn't be working off the books. That would \*result in an Additional \$401 billion in IRS income taxes collected annually, and an Equal amount for local, state and city coffer\*s.

No more confusion in American \*schools that now must contend with over 100 Languages\* that degrade the educational system for American kids. \*Our Overcrowded schools would lose more than two million illegal alien kids at A cost of billions in ESL and free breakfasts and lunches\*.

We would \*lose 500,000 illegal criminal alien inmates at a cost of more Than \$1.6 billion annually\*. That \*includes 15,000 MS-13 gang members who Distribute \$130 billion in drugs annually would vacate our country\*.

In cities like L.A., \*20,000 members of the ' 18th Street Gang' would Vanish from our nation\*. No more Mexican forgery gangs for ID theft from Americans! No more foreign rapists and child molesters!

America 's economy is drained. Taxpayers are harmed. Employers get rich. Over \$80 billion annually wouldn't return to the aliens' home countries by Cash transfers. Illegal migrants earned half that money untaxed, which Further drains America's economy which currently suffers a \$20 trillion Debt. \$20 trillion debt!!!

\*At least 400,000 anchor babies would not be born in our country, costing Us \$109 billion per year per cycle\*. At least \*86 hospitals in California, Georgia and Florida would still be operating\* instead of being bankrupt out Of existence because illegals pay nothing via the EMTOLA Act.

\*Americans wouldn't suffer thousands of TB and hepatitis cases rampant in Our country - brought in by illegals unscreened at our borders\*. Our Cities would see 20 million less people driving, polluting and grid locking Our cities' greenhouse gases.

Over one million of Mexico's poorest citizens now live inside and along our Border from Brownsville, Texas, to San Diego, California, in what the New York Times called, 'colonias' or new neighborhoods. Trouble is, those \*living areas resemble Bombay and Calcutta where grinding poverty, filth, diseases, Drugs, crimes, no sanitation and worse. They live without sewage, clean Water, streets, roads, electricity, or any kind of sanitation.
